ADVANCED COURSE IN GYNECOLOGICAL ENDOSCOPY

JOSÉ DE MELLO · SAÚDE

COURSE TIMETABLE

	Friday, 15th May 2015	Saturday, 16th May 2015		
09h00	T Theoretical Session + Video discussion	T Theoretical Session + Video discussion		
14h00	Lunch	Lunch		
15h00	A1 LASTT & SUTT training	B1 Surgical training on animal model	A2 LASTT & SUTT training	B2 Surgical training on animal with endometriosis
18h30	End of the day	Closure of the course		

15 DE MAIO

08h45 Welcome

R. Campo; J.L. Silva Carvalho

THEORETICAL SESSION I

Moderador: F. Faustino; S. Maia

09h00 "The importance of the knowledge of anatomy in laparoscopic surgery"

B. Rabischong

09h30 "Hysterectomy and Myomectomy Techniques"

F. Osório

Moderador: J. Ferro; A. Fradique

10h00 "The role of reproductive surgery in infertility with intramural myomas"

J.L. Silva Carvalho

10h30 "Medical and surgical treatment of uterine myomas New algorithms"

P. Tiago Silva

11h00 INTERVALO

VÍDEO DISCUSSION I

Moderador: J. Bernardes; A. Lanhoso

11h30 "Surgery of endometriosis, the reverse technique for rectovaginal nodules"

B. Rabischong

"Endometriosis. Clinical case"

H. Ferreira

12h00 "Mini laparoscopic management of bladder endometriosis"

F. Osório

"A non-sistematic approach to deep endometriosis"

A. Setúbal

12h30 "Sacrocopopexy"

M. Martinho

"Total Laparoscopic hysterectomy"

A. Fradique

THEORETICAL SESSION II

Moderador: S. Gordts; M. Martinho

13h00 "The impact of adenomyosis on infertility and pregnancy outcomes"

A. Setubal

13h30 "Surgical treatment of adenomyosis"

G. Grimbizis

14h00 LUNCH

15h00 A1 – LASTT & SUTT Training;

(Local: Hospital CUF Porto)

15h30 B1 - Surgical Training on animal model

(Local: CCEA – Vila do Conde)

16 DE MAIO

THEORETICAL SESSION III

Moderador: M. Rodrigues; F. Gomes

09h00 "Implantation failure in the uterine cavity malformations"

J. Ferro

09h30 "The ESHRE/ESGE Classification: are there still undescribed anomalies?"

G. Grimbizis

Moderador: A. Alves; H. Ferreira

10h00 "Methodology for evaluation of training programs in gynecological endoscopy"

J. Bernardes

10h30 "ESGE Certification program in gynecological endoscopy"

R. Campo

11h00 INTERVALO

VIDEO DISCUSSION II

Moderador: J. Bernardes; J.L. Silva Carvalho

11h30 "Radical trachelectomy with pelvic laparoscopic lymphadenectomy"

A. Alves

"Lomboaortic extraperitoneal lymphadenectomy"

P. Aldinhas

12h00 "Ambulatory surgery with versapoint"

A. Fradique

"Hysteroscopic treatment of uterine cavity malformations"

J. Ferro

12h30 "Adenomyomectomy"

G. Grimbizis

"Laparoscopic miomectomy"

F. Faustino

13h00 "Operative possibilities of transvaginal laproscopy"

S. Gordts

THEORETICAL SESSION IV

Moderador: R. Campo; P. Ramoa

13h15 "Prevention and repair of intestinal lesions in laparoscopic surgery"

J. Manuel Oliveira

13h45 "Ovarian endometrioma: early detection and treatment: option or necessity?"

S.Gordts

14h15 LUNCH

15h00 A2 – LASTT & SUTT Training

(Local: Hospital CUF Porto)

15h30 B2 - Surgical Training on animal with endometriosis

(Local: CCEA – Vila do Conde)

18h30 **Closure of the Course**
